Overview

History of Percy Priest Extended Day Program

Percy Priest Extended Day Program, Inc. ("PPEDP") is a 501(c)3 non-profit organization which was established in 1982 by the Percy Priest PTA and approved by the Metropolitan Board of Education. PPEDP is a school-based before and after school program with a full day summer program. Locally, the program is known as "Tiger Club".

PPEDP strives to find a balance between structured and child-directed activities. A diverse curriculum of games, arts & crafts, homework assistance, and more is offered without losing the freedom to be a child at play.

Mission Statement and Program Philosophies

PPEDP was established by parents to meet the childcare needs of Percy Priest Elementary School families.

At PPEDP, we recognize that children are individuals with differing needs, interests, and abilities. We accommodate these differences by offering a variety of activities with a balance between adult-directed activities and child-directed free play.

Children at PPEDP have a right to:

- *a relaxed, friendly and safe environment where they feel comfortable expressing their feelings and ideas while being challenged by new experiences*
- *a caring staff who respects each child as an individual with his or her own abilities, interests, and needs*
- *a cheerful, attractive, and orderly environment that offers a variety of equipment and materials*

Parents at PPEDP have a right to:

- *know that their children are safe and in an environment that does not expose their children to negative influences*
- *know that their children are being guided, supported, and directed in a positive manner to enhance their educational and personal development*
- *active communication regarding their children's activities at PPEDP*
- *an open and informative relationship with the PPEDP staff.*

Employees at PPEDP have a right to:

- *direction and guidance on job requirements and performance*
- *work in a fair and cooperative team environment*

Employees of PPEDP are critical to each child's safety and development and are expected to execute the program as outlined in a manner which will achieve the following objectives:

- health and safety of each child
- fostering of cooperation and individualism

- providing an environment in which children can reach their maximum personal and educational potential
- continuing to foster the goals and objective of Percy Priest Elementary School

Core Policies

Percy Priest Extended Day Program is committed to providing a quality child-centered program and excellent care for children. In doing so, it is important to provide a safe, productive, and quality-conscious work environment, and so we have established the following core policies:

Non-Discrimination: PPEDP has a policy of non-discrimination on the basis of race, sex, color, ethnic origin, age, religion, or physical capabilities. PPEDP is also committed to providing equal employment opportunities in all areas of the employer - employee relationship. This policy extends to all persons including our students, families, guardians, employees, and school staff members.

Alcohol and Drug Free Environment: PPEDP is committed to maintaining an alcohol and drug-free work environment.

Bullying / Harassment / Sexual Harassment / Physical Harm: PPEDP has a policy of zero tolerance for any bullying or mistreatment of children or any staff member.

Weapons and Dangerous Instruments: PPEDP has a policy of zero tolerance for the possession or use of any weapon or dangerous instrument on premises.

MNPS and DHS Policies: PPEDP follows the policies and guidelines of Metro Nashville Public Schools ("MNPS") and the Department of Human Services ("DHS"). If any parent or guardian wishes to have a copy of these guidelines, they should contact the Director or Assistant Director to request a copy.

Unlawful or Inappropriate Behaviors: PPEDP is committed to modeling positive examples and behaviors for its children, and therefore will not tolerate unlawful or inappropriate behaviors.

PPEDP Oversight

- PPEDP Staff
Our staff meets the requirements set forth by the Tennessee Department of Human Services Child Care Division. Prior to employment, all staff members have had 3 reference checks and have submitted fingerprints for TBI and FBI criminal background checks. Each staff member will be Infant/Child and Adult CPR and First Aid certified by the American Red Cross within 60 days of employment with PPEDP. Further, each staff member is asked to attend an additional 18 hours of child care training each year on topics such as: communication, developmentally appropriate practice, and behavior management.
- PPEDP Board of Directors
The PPEDP Board of Directors is a group of volunteers who work with the program director to promote and enhance a quality child care program. The PPEDP Board is composed of parents of enrolled children and the Percy Priest School principal. Monthly meetings are held at the school during the school year. Board members serve two-year terms and may be called upon to serve as officers on the Board. Board members may serve consecutive

terms. Board meetings are open to anyone who wishes to observe. We welcome any PPEDP parent that has an interest in supporting and bettering our program to join the Board of Directors. If you would like to serve on the PPEDP Board of Directors, please contact the Director, Assistant Director, or any current Board member.

PPEDP Tiger Club/Tiger Summer Camp Operations

Overview

PPEDP operates year-round child care services. "Tiger Club" is a before and after school program which serves the children of Percy Priest Elementary School. Child care is provided on most school holidays and professional days, as well as snow days whenever possible. "Tiger Camp" is a full day summer camp program providing care for children that are rising Kindergarteners through rising 5th Graders. Our program currently has a maximum capacity of 99 children and both programs have enrollment procedures that must be completed prior to attendance.

Requirement

Any child attending Tiger Club or Tiger Camp must be independent in their personal hygiene care, such as toileting and dressing, and understand when it is appropriate to ask for help (such as a stuck button)

–unless the child has a condition (documented by a physician’s statement) whereby toileting and independent personal hygiene is not developmentally or physically appropriate for the child.

Activities

Each child is allowed to participate in structured activities as well as free play activities. The everyday free play activities include sports and outside play, arts and crafts, board games, computer games, reading, and homework room. Structured activities are pre-planned and are posted on our weekly activity plan. These activities may include science, games, guest visitors or special directed activities such as music, dance, sports, or crafts. On occasion (rainy days, special occasions, etc), we will have a movie day. All movies shown have a rating of G or PG. Any parent who wishes to know the movie selection in advance should contact the Director or Assistant Director. It is the parents' responsibility to inform the Director or Assistant Director if they do not want their child to watch the movie.

Kindergarten Children

PPEDP makes every attempt to include all children in developmentally appropriate activities and Kindergarten children are invited to participate in all activities as appropriate. Our daily schedule makes provisions for Kindergarten and 1st Grade children to have separate play time indoors and also outside at the beginning of our afternoon. They have the opportunity for mixed age play after snack time each day. Please refer to our daily schedule for details.

Hours of Operation

PPEDP begins its Before / After School Care operations on the first day of school and continues its quality childcare through the last day of the school year. The program operates from 7:00 am until start of school and from dismissal until 6:00 pm. PPE DP generally begins its Summer Camp operations the week after the end of the school year continuing through the last week before the start of the school year. Specific summer camp schedules will be published each spring. Tiger Camp programs operate weekdays from 9:00 am until 3:00 pm, with extended care provided from 7:00 am to 9:00 am and from 3:00 pm to 6:00 pm. PPE DP is closed on New Year's Eve, New Year's Day, Memorial Day, July 4th, Labor Day, Thanksgiving Day, the Day After Thanksgiving, Christmas Eve, and Christmas Day. PPE DP will be open on snow days provided transportation is possible and safe. We will always attempt to make separate announcements about potential snow days, and PPE DP may have a later start time or be closed if warranted. Parents should contact PPE DP to confirm hours of operation on snow days.

No child may be dropped off before 7:00 am or at any time if a PPE DP staff member is not present. Should a child remain past 6:00 pm, a late fee will be assessed at the rate of \$1.00 per minute after 6:00 pm. Three late charges or more for non emergencies may constitute your child's removal from the PPE DP program.

Daily Schedules

Daily activity schedules for both Tiger Club and Tiger Camp Summer Camp programs are set in accordance with PPE DP's philosophy to provide a mix of child-directed and adult-directed activities and in accordance with DHS guidelines. Activities are planned on a weekly basis. Weekly activity plans and daily schedules are posted on the Parent Bulletin Board for easy reference at the beginning of each week. Specific schedules may also be obtained from the Director or Assistant Director.

Once the maximum enrollment has been reached, applicants may at their request be placed on a waiting list. Openings will be filled according to the date of completed application. Snacks and Extended Day / Tiger Camp Lunch Requirements

The children are served two snacks a day during Extended Days and during Tiger Camp, one in the morning and one in the afternoon. Tiger Club After School PM Care will serve one snack in the afternoon. Snacks are nutritious and include at least two food groups, with a variety of choices offered. The snack may include fresh fruit, veggies, cheese and 100% fruit juice and 2% milk, with very little prepackaged food offered.

On Extended Days or during Summer Tiger Camp, each child needs to bring a nutritionally balanced meal from home **with milk or 100% fruit juice** and a cold pack to keep it cool. **No soft drinks will be allowed.** This is a requirement of DHS. **Please note that PPEDP staff cannot heat any lunch items.** Lunches and/or drinks cannot be kept in the PPEDP refrigerator, which is reserved for our fresh snack foods. You may ask the Director or Assistant Director for a menu of nutritious lunches recommended by DHS.

All allergies must be reported to the Director prior to attendance.

Tiger Club Policies and Procedures

Health, Sickness, and Safety Policy

The Tiger Club or Tiger Camp Application contains health and contact information related to your child. This is necessary in case of an emergency. The parent or guardian must fill out the Tiger Club or Tiger Camp health section of the application completely. Parents are responsible for updating this information as necessary.

If a child becomes sick while at Tiger Club or Tiger Camp, parents or guardians will be called and expected to pick up their child immediately and no later than 1 hour from receiving the call.

Basic first aid will be a bandage or ice if needed. We are not able to administer any major medical attention.

PPEDP will write an Accident Report for minor injuries. This report will inform parents of the injury received while in the program, how the injury occurred and the first aid given.

Children with communicable or contagious diseases may not attend Tiger Club or Tiger Camp. Any child showing signs of, or developing symptoms of, fever, cold, sore throat, diarrhea, vomiting, head lice, etc. will have a call made to the parent or guardian and sent home. **PPEDP expects parents or guardians to pick up their sick child within one hour of the call. Children must be free of illness for 24 hours before being readmitted to Tiger Club or Tiger Camp.**

Medication and Medication forms:

If your child requires medication to be administered during Tiger Club hours, we must have a medication form on file. Please ask the director for a form. All medication must be in the original container and labeled. All medication must be out of the reach of children. **If your child has any type of medicine (oral, topical, etc) it must be given to a Tiger Club employee by an adult and never left in a backpack. All medications will be stored in the school clinic.**

In the case of an emergency, PPEDP will contact the parents first, and then your designated emergency contact second. In the case of an extreme emergency, or if a parent cannot be reached, PPEDP will contact the child's physician as listed on their Tiger Club or Tiger Camp application and/or provide transportation to the EMR at Vanderbilt Children's Hospital. Emergency 911 will be called for life threatening situations.

All children enrolled in the program must be covered by a personal or family health and hospitalization insurance policy. Information regarding this policy must be provided on the application form at the time of enrollment. Low cost student insurance policies are available through the school system. For more information regarding this insurance, please contact the school office.

Child Arrival and Departure Policy

All children attending must be accompanied to the Tiger Club or Tiger Camp sign-in desk and signed in by a parent or guardian. Children can not be dropped off at the front door or back parking lot of the school. **Parents must come inside and sign-out their child upon pick up.** Children must be left with a staff member and never on their own in the school building.

No child may be dropped off before 7:00 am or until a PPEDP staff member is present. Should a child remain past 6:00 pm, late charges will be assessed at the rate of \$1.00 per minute after 6:00pm. Three (3) late charges or more for non emergencies may constitute your child's removal from the PPEDP program.

If someone other than the parent or designated person per the application will pick up your child, a signed and dated note from the parent or guardian must give the Director or Associate Director indicating who that person will be. Children will not be released to anyone not listed on the application form without express written permission.

Please inform all other adults authorized to pick up or drop off your child about our sign-in/sign-out policies and to have proper identification. In cases of emergency where advance notification of a change in pick up is not possible, a telephone call from the parent is acceptable.

Please be patient if staff members ask for identification or take a few extra minutes to check a child's file for confirmation of authorization to pick up. All of these policies are for your child's safety and protection.

If a staff member believes that your child is in danger or harm by leaving with a parent, guardian, family friend, family member, or other designated person, we cannot, by law, release him/her. The well being of your child is always our highest priority.

Parking for drop off and pick up is available in the side parking lot and front circle of the school near the kindergarten classrooms. Please park in designated spaces only. For morning drop off and afternoon pickup, please enter the school building through the West side door (not the main front door) of the school to sign your child in. Our doors are locked at all times. Please ring the doorbell and a staff member will let you in.

Please do not allow your child to leave the building without you. No child should be left alone in a car or allowed to play in the parking lot after sign-out. Please do not leave other children unattended in your vehicle during drop off or pick up. These rules are for every child's safety.

We ask that any change in your child's daily schedule –including enrollment in afternoon clubs, lessons, etc- should be communicated to us. You may do this through e-mail to pptigerclub@yahoo.com or by a note or phone call. We take roll every day, and need to account for the whereabouts of every child.

Please allow a few minutes at pick up time for your child to clean up their activity before they leave each day. Cleaning up is encouraged before leaving one activity for another.

PPEDP is happy to offer Express Pick-Up. If you would like to call ahead 10 minutes prior to your arrival we will try to have your child waiting and ready to go when you arrive. Please call 390-3167 to request Express Pick-Up.

Parent Communications Policy

We provide a Parent Bulletin Board and information table located near the sign-in area for easy reference. Here you will find information about our weekly activities, daily schedules, snack menus, and parent handouts. Weekly activities and daily schedules will be posted for the current week at the beginning of the week.

Monthly newsletters and periodic notes are sent electronically. We provide specific information regarding activities, important announcements and fee reminders, It is the parent's responsibility to stay current with announcements and respond to correspondence as necessary. It is very important we have your current email address. Our e-mail address is pptigerclub@yahoo.com

Parents needing to reach the PPEDP may dial 390-3167. This is the PPEDP cell phone number. It is also equipped with voice mail. Staff may not always be available to answer the phone immediately, so please leave messages as necessary. If you have an emergency and cannot contact staff, please phone us through the school at 298-8416 ext. 1801

Communication with PPEDP is vital to understanding your child's behavior. If there is a behavioral topic affecting your child, we would like to know so that our staff will be equipped to

meet your child's needs. Please inform us of any changes your child may be experiencing and how we can help the transition to be a positive one.

To maintain good communication between staff and parents, child development conferences are offered in January and parent education classes are offered at various times throughout the school year. PPEDP also holds an Open House in September. The Director and / or Assistant Director are available, however, at any time during regular business hours for a scheduled conference.

PPEDP's e-mail list and or photos are to be used for PPEDP use and communication ONLY. It is the responsibility of the parent to inform us if there is a change of address, phone numbers, e-mail addresses, etc.

Guidance and Discipline Policy

Discipline issues are opportunities to teach. Staff members want to help children develop self-discipline and a sense of responsibility for their actions. Rather than just stopping unsafe or inappropriate behavior, we use teachable moments to help children understand why it is unacceptable. We suggest alternative behaviors and positively reinforce the repetition of appropriate behavior. We believe that a positive, respectful, and loving demeanor on our part is the best way to keep inappropriate behavior from becoming an issue.

Each child is expected to show respect for the rights and property of others. Children who do not follow our safety and conduct rules will receive redirection, reprimands, and/or the withdrawal of privileges. Parents will be informed of a child's inappropriate behavior using an "Incident Report," which explains what occurred, what the consequences were, and any staff comments. These reports are sent home.

In the case of a child that has continued to disregard staff redirection in a serious situation, or may have exhibited any of these behaviors: bullied other children, "hit to hurt", or deliberately damaged property, they may fall subject to PPEDP's "3 strike" policy:

- 1st strike - the child is suspended from Tiger Club / Tiger Camp for one (1) day.
- 2nd strike - the child is suspended from Tiger Club / Tiger Camp for one (1) week.
- 3rd strike - the child will be dismissed permanently from Tiger Club / Tiger Camp.
- Any student who is suspended from Percy Priest Elementary School is also suspended from Tiger Club.

These policies are to protect every child that attends Tiger Club and Tiger Camp. Your monthly tuition will not be refunded if your child is suspended or dismissed from Tiger Club or Summer Tiger Camp. **PPEDP reserves the right to prohibit attendance by any child who is perceived to threaten the safety or well being of any child, family member, or staff member of PPEDP.**

Dress Code Policy

Children attending Tiger Club or Tiger Camp are expected to be dressed and groomed neatly and appropriately. Please see the Director for further details on appropriate dress if desired.

Toys / Personal Items from Home Policy

Tiger Club and Tiger Camp do not allow children to bring toys from home. This includes any hand held electronic device such as Nintendo DS's, game-boys, I-pods, cell phones, etc. Tiger Club and Tiger Camp do not allow bikes or scooters on premises during Extended Days or during Tiger Camp, unless specifically authorized as a program activity by the Director or Associate Director. PPEDP staff will not be responsible for toys or other personal items brought from home and if they see toys or personal items from home, they will ask the child to put them away until the child is picked up.

Emergency Procedures

PPEDP will mirror to every extent possible the emergency procedures and protocols of Percy Priest Elementary School. Please note that while we do not expect any of these situations, we believe that it is vital to plan for them. We conduct periodic drills for emergency situations such as tornadoes, fire, evacuations, and lock-down. In the event of an emergency situation, our first priority is the safety and wellbeing of our children and our staff members will contact all parents as soon as they are able. Parents may obtain more information about our procedures from the Director or Assistant Director at any time.

Snow Policy

On announced snow days PPEDP will make every effort to open no later than 9:00am and close at regular time unless hazardous road conditions are apparent. The PPEDP administrative staff will have the discretion to close at 4:00 pm or earlier in case of worsening conditions and each parent will be contacted. If the school closes during the school day, PPEDP will remain open until 4:30pm. We ask that parents make plans to have their child picked up by the specified time so PPEDP staff can get home safely. We will post our snow schedule on the local news channels and we will send an email with our plans for the day.

PPEDP employees

PPEDP employees are our most important assets. If you hire one of our employees (or someone who was our employee within the prior six months of hire) to work for you, you agree to pay a placement fee of \$2,000. Checks should be made payable to Percy Priest Extended Day Program and given to the program director. In an effort to maintain the professional status of our employees and prevent any potential conflict of interest, if you should hire any of our staff for "sitting" purposes, it must be outside of Tiger Club and with the understanding that such arrangements and payments for services are solely between you and the staff member. The arrangements are not sanctioned by PPEDP and you agree to hold PPEDP harmless for any such arrangement.
